14TH SUNDAY IN ORDINARY TIME

MISSION STATEMENT

St Theresa's Catholic Parish is a vibrant, inclusive and welcoming community committed to living and sharing the good news of Jesus Christ. Under our baptismal mission and inspired by the Spirit, we are bread for one another and nourished we reach out to make a difference in the world.

Leo's Lens

© Nick Brodie

Life, Pope Leo says, 'is made up of encounters, and in these encounters, we emerge for what we are.'

'We find ourselves in front of others,' he continues, 'faced with their fragility and weakness, and we can decide what to do: to take care of them or pretend nothing is wrong.'

The pope reminds us to stand with the victims of circumstance, wherever we find them. We should pray for those who are deprived of homes and livelihoods by war. Where possible, we should also give practical aid and work for peace.

Closer to home, too, we have responsibilities to those around us: the elderly, migrants and refugees, the poor, the lonely, and so on.

We should never rest on our spiritual laurels. The pope warns those who, even among Christians, 'think that their own journey must take precedence.'

Christianity, as he so often points out, has a unifying mission. We cannot walk by on the roads of our own age, unwilling 'to stop for another.'

Reflecting on the parable of the Good Samaritan, the pope reminds us that 'the practice of worship does not automatically lead to being compassionate.'

Rather, he points out that 'before being a religious matter, compassion is a question of humanity! Before being believers, we are called to be human.'

Reflection

© Dianne Bergant CSA

Although the gospel is a report of ministerial commissioning, it contains elements of discipleship in general. Most obvious is the disciples' dependence on Jesus.

They are not independent missionaries; they are followers. Furthermore, there is a communal dimension of discipleship. While there is certainly a personal relationship between Jesus and each disciple, discipleship itself is not a singular privilege that one hugs to oneself to the exclusion of others.

Disciples minister to the needs of others, whatever those needs may be and with whatever abilities the disciple may possess. There are various kinds of healing: a friendly smile, a word of gratitude, a soothing touch. We can teach the lessons of life in classrooms, in playrooms, in kitchens, in boardrooms. There are many ways that we can cast out the demons that hold our world by the throat; demons of poverty and oppression, demons of addiction and slavery, demons of disdain and neglect, demons of hatred and violence. If they are not cast out by us, then by whom?

The life of discipleship is not an unmixed blessing. Because disciples are marked by the sign of the cross, they must expect suffering. Because they do not live according to the standards of the world, disciples will be judged as fools. Some of them will be subjected to even greater suffering. Still, the disciple proclaims that true fulfilment is only found in God! In reality, it is the world that is upside down, not the life of discipleship. And it is the cross that sets things right.

HARNESSING THE POWER OF STORYTELLING AND ORAL TRADITIONS IN FORMATION DESIGN

Wednesday, 9 July at 3.00pm—4.00pm

formation.org.au, in partnership with ACU and Catholic Mission, invites you to a NAIDOC Week 2025 event. Why is storytelling so powerful, and how can it be done well? How do we foster deep listening across ministries, cultures, and generations? What does it mean to re-story, and how does it shape identity and mission? How can storytelling and oral tradition guide the way we design formation for Mission? In 2025, the Jubilee Year of Hope and the 50th anniversary of NAIDOC Week, we celebrate the theme "The Next Generation: Strength, Vision & Legacy."
